There will also be plenty of free entertainment for the children. A 'signup' will be sent out later as these events are impossible without lots of parent participation. Keep your diary free from 1pm to help set up, operate stalls, and pack up. The Reduce, Reuse and Recycle Store is back and will be accepting all donations of quality used goods like clothes, books and toys to them sell at the fair. 10 December	Colour Run	<ul style="list-style-type: none"> Fundraising and Registration is NOW OPEN for the Bi-annual School Colour Run. Make sure you register your child's profile NOW. The class with the greatest number of profiles set up by the end of this week will win a CLASS PARTY (we will work it out fairly as a percentage of the number of children in the class). Sign up here: schoolfunrun.com.au The fundraising campaign goes for just over 3 weeks, until the 4/11/22, and the children, if they choose to fundraise have 5 days to order their prizes. For every \$10000 raised the tides turn and the children are able to 'squirt' one of the teachers! The Colour Run day will be held at school on Thursday the 8th of December. Regardless of whether they raised money or not, EVERY child is able to participate in the event. It is the highlight of the children's (and teachers) calendar. Fundraising money will go towards initiatives the children have put forward to the school for different equipment and landscaping around the school.
